

**The Friends of St. Anthony (FOSA) is the Outreach Program
of St. Anthony of Padua Parish in Woburn.**

Through their outreach programs, FOSA help Homebound Seniors and those in need in the Woburn Catholic Collaborative community.

FOSA has a team of volunteers that complete a full **assessment** of Woburn area families who are in need. The process is extensive to ensure eligibility. Once a family is approved, they are given a code to allow them anonymity and receive Thanksgiving, Christmas, and Easter meals and groceries from the Food Pantry along with the option of being placed on the Giving Tree.
